

CASE STUDY:

Instagram Stories

Overview

Multifamily Housing Class A Property in Charlotte, NC

This community wanted to expand their reach on social media. They began advertising on Instagram Stories in February.

Once the pandemic hit, they changed their touring model to self-scheduled, virtual tours and increased the value of their concession. They updated their Stories ad in mid-April.

Stories consumption on Instagram increased during the pandemic and the community saw amazing results within a 55-day time period.

Challenges

- This community struggled to reach their target market with organic social strategies.
- The community needed to generate online leads during COVID-19.
- The community was no longer accepting in-person tours and needed to promote virtual tours.

Main Challenge

Generate Leads & Tours
During COVID-19

Core Strategy

Instagram Stories

Key Outcome

25 Leads & 5 Tours

The Approach

Our team designed a Stories video ad using the community's existing assets.

The ad featured the community's concession: "Receive Two Months Free", "Schedule a Virtual Tour" and location-specific copy "Premier Living in the Heart of the South End".

When prospects swiped up and landed on the community's website, they were able to claim the offer they saw on the Stories ad or self-schedule a virtual tour using our conversion tools.

The Results

Time Frame: April 15 - June 8

1,302
Swipes

25
Leads

5
Tours

Ad Impressions: 112,089

Website Sessions: 1,302

Leads That Claimed Offer: 20

Self-Scheduled Tours: 5
